

# HEMATCONF 2023

## DAY 1: 09.02.2023 (THURSDAY)

### WORKSHOP

on "Flow cytometric approach to the diagnosis of acute leukemia"

Venue

Pasteur theatre and flow cytometry laboratory/student laboratory, II Floor, Institute Block, JIPMER.

**Session I: Basics, sample processing and WHO updates in acute leukemia**  
**Moderator: Dr. Prabhavati Jothilingam, Associate Professor, MGMC & RI, Puducherry**

9.00 to 9.10 am	Introduction to workshop	Dr. Debdatta Basu
9.10 to 9.45 am	Basics of flow cytometry	Dr. Rakhee Kar
9.45 to 10.15 am	Pre-analytical checks and sample processing in acute leukemia	Mrs. Sushya Kannan
10.15 to 10.40 am	WHO updates in acute leukemia	Dr. Sujaya Mazumder
10.40 to 11.00 am	Inauguration of workshop and Center of Excellence in Clinical Flow Cytometry	All faculty and Beckman Coulter team
11.00 to 11.20 am	Tea break and quiz/Promotional video	

**Session II: Gating strategies and approach to the diagnosis of acute leukemia**  
**Moderator: Dr. Chandramouleeswari, Professor of Pathology, TNGMSSH, Chennai**

11.20 to 12.10 pm	Gating strategies	Dr. Prabhu Manivannan
12.10 to 1.00 pm	Approach to the diagnosis of acute leukemia	Dr. Rakhee Kar Dr. Prabhu Manivannan
1.00 to 1.45 pm	Lunch break and quiz/Promotional video	

**Session III: Hands-on and laboratory visit**  
**Moderator: Dr. Asma Bibi, Consultant, Rela Hospital, Chennai**

1.45 to 3.15 pm	Short video presentation and hands-on training in sample processing	Mr. R. Sundharamurthi Mr. Sankar P Mrs. Sushya Kannan Mrs. Manimeghalai Mrs. Saranya Mr. Jyothish Mrs. Sathya P Mr. Sreerag
3.15 to 3.40 pm	Tea break/Promotional video	

**Session IV: Hands-on and demonstration of cases**  
**Moderator: Dr. Garima Anandani, Assistant Professor, AIIMS, Rajkot**

3.40 to 5.15 pm	Short video presentation and live demonstration of cases	Dr. Sujaya Mazumder Dr. Asma Bibi Dr. R Pranav Dr. R Subhashini Dr. Mithra Devi Dr. Soundarya Ravi Dr. KC Sharan Dr. R Aarth
5.15 to 5.30 pm	Q & A, feedback, prize distribution and vote of thanks	

\*Personal laptop with a free trial version of KALUZA analysis software downloaded from the internet is mandatory for the workshop.

DAY 2: 10.02.2023 (FRIDAY)

CME

on "Coagulation and bleeding disorders."

Venue

Pasteur theatre, II Floor, Institute Block, JIPMER.

## Session I: Basics of coagulation and approach to hemostasis Moderator: Dr. Mukul Agarwal, Associate Professor, AIIMS, New Delhi

9.00 to 9.10 am	Introduction to CME	Dr. Bhawana Ashok Badhe
9.10 to 9.35 am	A cell-based model of coagulation	Dr. Rakhee Kar
9.35 to 10.00 am	Approach to primary hemostasis	Dr. Abhishek Purohit
10.00 to 10.25 am	Approach to secondary hemostasis	Dr. Garima Anandani
10.25 to 10.45 am	Inauguration of CME Chief guest: Padma Shri Dr. P. Nalini Guest of Honour: Dr. HP Pati	All faculty and Suyog Diagnostics
10.45 to 11.00 am	Quiz, Tea break and promotional video/Promotional video	

## Session II: Setting up Hemophilia Center and Coagulation Laboratory Moderator: 1. Dr. Bidyut Krishna Goswami, Professor & Head, North Bengal Medical College and Hospital 2. Dr. D. Febe Renjitha Suman, Professor, SRMC, Chennai

11.00 to 11.30 pm	Setting up Center for Hemophilia and Bleeding disorders: Experience from Pondicherry Hemophilia Center	Padma Shri Dr. P. Nalini
11.30 to 12.00 pm	Setting up coagulation laboratory and quality issues	Dr. HP Pati
12.00 to 12.30 pm	Clinical utility of bleeding assessment tool (BAT)	Dr. Mukul Agarwal
12.30 to 1.00 pm	Approach to patients with inhibitors	Dr. Ankur Ahuja
1.00 to 2.00 pm	Quiz, lunch break/Promotional video	

## Session III: Case-based discussion Moderator: Dr. T. Madhumithra, Assistant Professor, CMC, Vellore

2.00 to 3.35 pm	Case-based discussion on bleeding and coagulation disorders	Dr. Durga Devi, Dr. Narashimapriyan, Dr. R. Pranav, Dr. Sharan
3.35 to 4.00 pm	Tea break and Promotional video/Promotional video	

## Session IV: Blood products and recombinant agents Moderator: Dr. Sujaya Mazumder, Assistant Professor, AIIMS, Kalyani

4.00 to 4.25 pm	Blood and plasma products in bleeding diathesis	Dr. Dibyajyoti Sahoo
4.25 to 4.50 pm	Recombinant agents and recent advances in bleeding diathesis	Dr. G. Jaikumar
4.50 to 5.00 pm	Q & A, feedback, and vote of thanks

## DAY 3: 11.02.2023 (SATURDAY)

### Conference

on "Diagnosis and management of hematological disorders"

Venue  
JAC Mini Auditorium, JIPMER.

Session I: Pancytopenia and aplastic anemia Chairperson: 1. Dr. Vivekanandan, Professor & Head, JIPMER, Puducherry 2. Dr. Vinita Agarwal, Associate Professor, IGMC, Puducherry		
9.00 to 9.30 am	Case-based approach to pancytopenia	Dr. Abhishek Purohit
9.30 to 10.00 am	Inherited bone marrow failure syndromes: Clinical approach	Dr. Mukul Agarwal
10.00 to 10.30 am	Management of acquired aplastic anemia	Dr. Deepak Amalnath
10.30 to 10.45 am	Tea break and Promotional video	
10.45 to 11.00 am	Inauguration of Conference Guest of Honour: Dr. TK Dutta, Rtd Prof & President, Pondicherry Chapter of ISHBT Chief Guest: Dr. Renu G'Boy Varghese, Professor, PIMS, Puducherry	
Session II: Myeloproliferative neoplasm/ myelodysplastic syndrome/ myeloid neoplasms Chairperson: 1. Dr. SP Sinhasan, Professor & Head, AIIMS, Guwahati 2. Dr. S. Muthu, Professor, SRM, Chennai		
11.00 to 11.30 am	MDS/ MPN: Changing diagnostic criteria	Dr. HP Pati
11.30 to 12.00 noon	Case-based molecular approach to myeloid neoplasms	Dr. Chithra Chandran
Session III: Digital morphology and quality control sponsored by HORIBA Chairperson: 1. Surendra Kumar Verma, Professor (Sr. Scale), JIPMER, Puducherry 2. Dr. Sowmya. S, Professor, MGMC & RI, Puducherry 3. Dr. K. Meenakshisundaram, Professor & Head, ESIC Medical College, Chennai		
12.00 to 12.45 pm	Digital morphology	Dr. Anil Handoo
12.45 to 1.15 pm	Verification and standardization of automated hematology analyser for routine clinical laboratory tests	Dr. Moses Ambrose M
1.30 to 2.00 pm	Lunch Break/Promotional video/Poster viewing session	
2.00 to 3.00 pm	Poster judges: 1. Dr. BH Srinivas, Additional Professor, JIPMER, Puducherry, 2. Dr. Debasis Gochhait, Additional Professor, JIPMER, Puducherry, 3. Dr. Erli Amel Ivan, Professor & Head, SMVMC, Puducherry, 4. Dr. T. Rajeswari, Associate Professor, ESIC Medical College, Chennai, 5. Dr. C. Arun Prabhakaran, Assistant Professor, Stanley Medical College, Chennai, 6. Dr. Bidyut Krishna Goswami, Professor & Head, North Bengal Medical College and Hospital	
Session IV: Antiphospholipid antibody syndrome sponsored by Stago/ Syndicate Chairperson: 1. Dr. Gowri Dorairajan, Professor & Head, JIPMER, Puducherry 2. Dr. KV. Vinod, Professor, JIPMER, Puducherry		
2.00 to 2.45 pm	Lupus anticoagulant testing and recommendations	Dr. Kiran Ghodke
2.45 to 3.30 pm	Obstetrical management of APLA	Dr. Anish Keepanasseril
3.30 to 4.00 pm	Tea break and Promotional video	
Session V: Transfusion Medicine Chairperson: 1. Dr. Smita Kayal, Additional Professor & Head, JIPMER, Puducherry 2. Dr. Rajendra Kulkarni, Professor & Head, JIPMER, Puducherry		
4.00 to 4.25 pm	Blood product support in hematological disorders	Dr. Ankur Ahuja
4.25 to 4.50 pm	Apheresis support in hematolymphoid malignancies	Dr. Abhishek Gowda
4.50 to 5.00 pm	Q & A, feedback	
5.00 to 5.30 pm	GBM – ISHBT Pondicherry Chapter	

# HEMATCONF 2023

## DAY 4: 12.02.2023 (SUNDAY)

### Conference

on "Diagnosis and management of hematological disorders"

Venue  
JAC Mini Auditorium, JIPMER.

8.00 to 9.00 am	<b>Oral Paper presentation</b> <b>Chairperson:</b> 1. Dr. N. Siddaraju, Professor (Sr. Scale), JIPMER, Puducherry 2. Dr. J. Sreerekha, Additional Professor, JIPMER, Puducherry <b>Judges:</b> 1. Dr. Mukul Agarwal, Associate Professor, AIIMS, New Delhi 2. Dr. Abhishek Purohit, Additional Professor, AIIMS, Jodhpur 3. Dr. Prasad Dange, Associate Professor, AIIMS, Guwahati	
9.00 to 9.30 am	<b>Plenary session on hemoglobinopathy</b> <b>Chairperson:</b> 1. Dr. Pampa Ch Toi, Professor, JIPMER, Puducherry 2. Dr. Narayanan P, Professor & Head, JIPMER, Puducherry	Dr. Bidyut Krishna Goswami
<b>Session VI: WHO updates on lymphoma</b> <b>Chairperson:</b> 1. Dr. Femila Muniraj, Professor, Chettinad Hospital and Research Institute 2. Dr. Deepti Jain, Lab Director, MIOT hospital, Chennai		
9.30 to 10.00 am	<b>WHO updates on B-cell NHL</b>	Dr. Garima Anandani
10.00 to 10.30 am	<b>WHO updates on T/ NK-cell NHL</b>	Dr. Asma Bibi
10.30 to 10.45 am	<b>WHO updates on Hodgkin lymphoma</b>	Dr. Sujaya Mazumder
10.45 to 11.00 am	<b>Tea break and Promotional video</b>	
<b>Session VII: Multiple myeloma</b> <b>Chairperson:</b> 1. Dr. Prasanth Ganesan, Professor, JIPMER, Puducherry 2. Dr. M. Balamurugan, Professor & Head, JIPMER, Karaikal		
11.00 to 11.20 am	<b>Morphological mimics of myeloma</b>	Dr. Prasad Dange
11.20 to 11.40 pm	<b>Treatment options for older fragile patients with myeloma</b>	Dr. Mukul Agarwal
11.40 to 12.00 pm	<b>Measurable residual disease in myeloma: When, how and its implications</b>	Dr. T. Mathumithra
12.00 to 12.20 pm	<b>Transplant or not: Role of newer drugs in myeloma management</b>	Dr. Biswajit Dubashi
12.20 to 12.30 pm	<b>Q &amp; A session and feedback</b>	
12.30 to 1.00 pm	<b>Prize distribution and vote of thanks</b>	
1.00 pm Onwards	<b>Lunch</b>
